The Girl with the Ghost Fire 149

THEN, SAGE OSKI,

IS THERE A WAY TO DEFEAT THE NIGHT, WHICH BRINGS THE END OF THE WORLD?

O GREAT KING NEX, THAT IS AN EASY YET MOST DIFFICULT THING TO DO.

TO GRANT YOUR WISH, YOU MUST GIVE UP YOUR OWN LIFE.

CAN YOU LEAVE BEHIND EVERY-ONE YOU LOVE, AND EVERYTHING YOU'VE WORKED FOR?

AND NEX AN-SWERED:

THAT HAS AL-READY BEEN ANSWERED.

THE WORLD EXISTS, THEREFORE I EXIST.

THOUGH MY BODY BE DESTROYED, AS LONG AS THE **WORLD** REMEM-BERS ME—

I SHALL LIVE ETERNALLY.

THERE-FORE...

ASTAROTHE-UNNI.

THE STORY OF THE SAVIOR NEX, HUH?

AH!

THIS BOOK IS SO WORN OUT! DO YOU LIKE IT THAT MUCH?

SFX: Whoosh

SFX: Creak

YES, ESPECIALLY THE PART WHERE NEX-NIM MEETS THE SAGE OSKI TO SAVE THE WORLD.

SFX: Creaak Creeak

UNNI, WAS NEX-NIM A REAL PERSON, LIKE OSKI, THE ANCESTOR OF THE DEMON CLAN?

SFX: Ba-dum Ba-dum

SFX: Gah!

I'M NOT SURRRE—

THIS STORY IS NOTHING MORE THAN A LEGEND, BUT—

IT COULD HAVE BEEN TRUE...

OR, IT COULD BE SOMETHING THAT MIGHT HAPPEN FAR IN THE FUTURE.

IN THE FUTURE?

YES.

THERE'S A SAYING, THAT LEGENDS ABOUT OSKI-NIM AREN'T LEGENDS, BUT PROPHECIES.

IF THAT'S TRUE,

IT'D BE GREAT IF I COULD MEET NEX-NIM SOMEHOW.

AS YOUR MASTER, I, DEMON NECROMANCER SERIN—

GIVE YOU THE NAME, **NEX.**

HENCEFORTH, THIS SHALL BE YOUR NAME, O ONE WHO CONNECTS THE TWO WORLDS.

DEMON NEXUS NEX.

SFX: Whisper

DEMON NEXUS NEX.

CONNECTION
COMPLETE.

THE REGIS HAS FULL ACCESS.

I AM THE ABYSS.

I AM THE PALACE OF THE REGIS.

YOUR COMMAND, REGIS NEX

I AWAIT YOUR COMMAND.

I DON'T CARE WHAT IT TAKES!

SAVE CHAOS!

THE THRONE HAS BEEN ACTIVATED.

SOMEONE'S TAKEN CONTROL OF THE ABYSS.

SFX: Ruuumble

THE THRONE?

WHO COULD POSSIBLY...?

To be continued

IN ANY CASE, IF THE ABYSS DESCENDS AT THIS RATE, THE CASUALTIES WILL BE ONLY 5% OF THE INITIAL ESTIMATE.

AND
WE'LL HAVE TIME TO EVACUATE THE POPULACE OF THE LOWER WORLD.

SFX: Huh_?

I I didn't do it!

It couldn't be helliped!

DARN... THE ABYSS'S MAGICAL POWER IS OUT OF CONTROL!

WE MUST DO SOMETHING!

IT'LL BE TOUGH.

OUT-OF-CONTROL MAGIC CAN ONLY BE HELD BACK BY MANUAL CONTROL, BUT ALL OF THE ABYSS'S CRITICAL POINTS ARE TIED UP HERE.

UNLESS WE HAVE SOMEONE WITH BOTH GREAT MAGICAL POWERS AND STRONG SUPPRESSIVE CONTROL, IT'LL BE IMPOSSIBLE.

PLUS, EVEN SOMEONE INCREDIBLE LIKE THAT MAY LOSE HIS LIFE, IF HE'S UNLUCKY.

SO WHO COULD POSSIBLY HOLD OUT UNTIL THE ABYSS LANDS SAFELY ON THE LOWER WORLD?

WHAT WILL SHE DO WITH HER "HANDS OF GOD"?!

Have a heart.
Donate.

You know what I'm talking about. For those who don't watch the news, Japan was struck by a eathquake of Richter magnitude 8.9. Following that, a tsunami all but wiped out Miyagi Prefecture.

We at Scantily-Clad have sent a donation to the Red Cross to aid in their relief efforts. They need help. Over 1.4 million people have been left without clean drinking water as of today, and that's just a small part of the problems they currently face.

Now, anonymous lurker, we need your help. For those of you who can spare a few bucks out of your pocket, our wish is that you'll donate to any relief organizations and rescue operations that are currently underway.

We recommend the Red Cross and Doctors without Borders.

Our hearts go out to those who have been affected by this disaster.

DEEP DOWN, I WANTED TO BE WITH YOU.

EVEN THOUGH WE WERE OUT OF STEP,

I ALWAYS WANTED TO RUN AWAY FROM YOU.

BUT WHY DID I KEEP COMING BACK, TO THE SAME PLACE?

BECAUSE I DIDN'T WANT TO TRULY RUN AWAY.

I ALWAYS WANTED TO KEEP LOOKING AT YOU.

I ALWAYS LONGED TO PROTECT YOU.

NEX!

THE SAVIOR OF CHAOS!

HERE ARE THE DAMAGES AND CASUALTIES STEMMING FROM THE FALL OF THE ABYSS AND KALADBOLG'S INTERVENTION.

DESTRUCTION OF 1% OF THE SURFACE WORLD, PLUS NEARLY 100,000 IN LIVES LOST. THERE ARE MANY SERIOUSLY WOUNDED, THUS THE DEATH COUNT IS EXPECTED TO RISE.

THAT PROPHECY...

WAS NOT OFF THE MARK.

["That Prophecy" see vo ch34]

...

IT'S ONLY BEEN DELAYED.

FROM THE PROPERTY DAMAGE REPORTS SO FAR, IT WILL TAKE MORE THAN FIFTY YEARS TO RECOVER FROM THE DAMAGES.

THE FUTURE THAT I WITNESSED... THIS IS ONLY THE BEGINNING.

IT'S LESS THAN OUR INITIAL FORECAST, YET THE LOSSES ARE ASTRONOMICAL.

THEYRE JUST NUMBERS AND FIGURES.

THE BIGGER PROBLEM LIES IN THE HEARTS AND MINDS OF THE PEOPLE OF CHAOS.

!

ANXIETY—

FEAR—

AND TERROR... FOR THOSE WHO HAVE BEEN TERRORIZED, NO AMOUNT OF LAW WILL DO.

NAVARUS-NIM, WHAT DO YOU MEAN...?

NEX!

NEX!

NEX!

NEX!

NEX!

ARE YOU SAYING THAT THE DEMON CLAN WILL TAKE A PIVOTAL ROLE?

HARDLY.

DO YOU REALLY BELIEVE THE MASSES WILL ACCEPT THAT?

THE SAME GOES FOR THE SERPENT, AS WELL AS THE VISION.

THIS INCIDENT HAS ONLY PROVEN THE FACT THAT—

THE FOUR CLANS PLAYED NO MEANINGFUL ROLE IN THE FIGHT AGAINST KALADBOLG.

WHAT WE NEED NOW AREN'T CLANS OR TRIBES, BUT JUST ONE THING:

THE REGIS!

LUCKILY, WE HAVE THE PERFECT CANDIDATE FOR A KING, DON'T WE?

NOTE: regis, latin "king"

THE HERO WHO SAVED CHAOS!

I HEARD HE BOUGHT THE RING

Did he find out I was going to steal the ring?

DEMON NAVARUS REQUESTED THE TEST OF THE SEAL?

AND IN FRONT OF ALL THE NOBILITY,

OUR NINURRTA AND THAT GOOD-FOR-NOTHING BRAT, TOGETHER?

P—
PLEASE CALM YOURSELF, YOUR HIGHNESS.

IT SEEMS HE SUBMITTED A PETITION TO THE REGIS JUST NOW.

THIS IS PREPOSTEROUS, FATHER. WHY SHOULD OUR CROWN PRINCE BE TESTED?

...

THERE IS NO WAY THAT DEMON NAVARUS' CANDIDATE CAN PASS THE TEST OF THE SEAL.

HIS TRUE AIM IS TO TARNISH THE CROWN PRINCE'S IMAGE IN ANY WAY POSSIBLE.

HE WANTS TO SHOW THE NOBILITY THAT THE CROWN PRINCE IS IN SUCH AN UNCERTAIN POSITION, THAT HE HAS TO TAKE THE TEST.

NAVARUS ISN'T SOMEONE WHO MAKES A MOVE BASED ON SUCH TRIVIAL MATTERS.

THERE'S DEFINITELY A CATCH HERE.

WE ABSOLUTELY MUSN'T ALLOW NINURRTA TO ATTEND THE TEST OF THE SEAL!

PLEASE MAKE SURE THAT THE PETITION DOES NOT REACH THE REGIS!

THAT'S NOT A GOOD IDEA.

Cast Introduction

Xi (read as Zai)
An Undead, and the lone survivor of the Vanan clan, which was wiped out by Regis Nex. In order to take revenge on Regis Nex, he obtained Skoll's powers through Oski's help.

Siana
Xi's childhood friend, she lost her life in the decimation of the Vanan clan.

Oski
The mysterious identity known as the Creator of Magic Items, he is the master of the Shadow World, and the creator of Skoll and Ouroboros. He often takes the form of a crow or other various animals in his activities. All of Oski's creations possess a twisted will to murder him. Oski is accompanied by his two servants, Munin and Hugin.

Just (Ouroboros)
One of the magical creations made by Oski. Ouroboros resides in an Undead, named Just, who was created by Oski on Demon Navarus's order. Just is pretending to be the child between Regis Nex and Serin.

Semek Estes
Serin's Magic Stone. He has the form of a young man, and has come into Oski's hands via Xi.

Yongje Yuan
The daughter of Yongje Yeon-Oh, the head of the Serpent Clan. Yuan was held hostage by Xi while on her way to wed Prince Ninurrta at the Merrkaba Palace. One of the few experts in magic left in Chaos.

Noah Ninurrta
The Crown Prince, born between Regis Nex and the Empress Iffrita. Ninurrta carries more Noah Clan traits than Undead traits.

Demon Serin
Navarus's daughter, and the former fiancée of Nex. Serin is imprisoned on the charge of high treason. As an outstanding Necromancer, she is the very person responsible for turning Nex into an Undead.

Demon Navarus
Serin's father, and the head of the once-famous Demon Clan, one of The Four Clans. After Serin's imprisonment as a high traitor and the subsequent demise of the Clan, Navarus brings forth a fake Crown Prince (Just) in order to regain power.

Noah Iffrita
Empress Consort of the Regis Nex, and mother of Ninurrta and Mithra. In her younger days Iffrita was an innocent and kind-hearted girl. But she has changed, due to her bitter determination to take revenge on the Demon Clan.

Noah Mithra
The princess born between the Regis Nex and the Empress Iffrita, Mithra is the younger sister of Ninurrta. Though strong of will, her health is delicate, and she is often bed-ridden. After seeing Xi release a royal seal in Thanatos, which can only be done by those of royal lineage, Mithra begins to have doubts.

Mao Shao-Shao
Iffrita's maid-in-waiting. In the past she belonged to a lower-class family affiliated to the Serpent Clan, but she's now under the Noah Clan. Shao-Shao is helpless before Iffrita. She can perform a bit of Healing magic.

Vision Mala
The current head of the Vision Clan, and the older sister of the former head, Vision Hekaloth. She is only a nominal head since she has no domain or family members, and so she must depend on Owen. Mala has the power of foresight, and often prophesies critical events.

Owen
The king of the Lycanthropes (werewolf tribe). He is the best friend of the Regis Nex. Owen's appearance is an old man due to a curse, but he is actually similar in age to Nex.

Regis Nex (Chae Jae-Hyuk)

The King of Chaos. He became an Undead because of Serin, who at the time was visiting the human world. Originally of a bright and upright character, Nex changed after an incident involving Serin, in which he imprisoned her. Afterwards, he's always carried a cold expression on his face. Nex harbors an extreme hatred towards the Clan of the Night.

Depore Magnasethia

The Magic Stone of transformation. Depore has the form of a young girl, and follows only Nex. She was injured in the Magnanix, and her powers are now greatly reduced.

Kaladbolg (Chae Jae-Hoon)

Used to be the god of Chaos. Over generations Kaladbolg would reside in the body of the Regis and feed upon the life force of Chaos, thus threatening its existence. Kaladbolg currently resides in the body of Jae-Hoon, the younger brother of Nex. He is in the human world (called "Night" in Chaos), and is looking for an opportunity to return to Chaos. Kaladbolg was nearly destroyed once by Nex, and two large fragments of Kaladbolg remain in Chaos.

Nirvana

Formerly the Magic Stone belonging to the Maha Clan, one of The Four Clans. However, she betrayed her clan, and is now serving Kaladbolg.

Gi Seon-Yu

Hailing from the Gi-Rin Clan, he is proficient with controlling plant life. Seon-Yu was best friends with Nex and Owen in the past, but currently he is Kaladbolg's subordinate as a member of the Clan of the Night. He holds Nex responsible for the destruction of his own clan, and hates him.

Won

A member of the Clan of the Night, he came with Seon-Yu to retrieve one of the fragments of Kaladbolg. He is a weapons-maniac, and thus lusts after Depore.
